

① In response to a local newspaper article about the rise in vandalism and the lack of social activities for young people in the area, the Council has decided to propose a plan to develop a new leisure centre. You have made a survey to find out the kind of facilities that people would be happiest with.

The graphics below show the result of the survey. Have a look at them and write the report for the Council.

② You have a part-time job in a restaurant. The manager wants to make the restaurant more popular with families and has asked you to carry out a survey among people of various ages and write a report.

The graphics below show the result of the survey. Have a look at them and write the report for the manager.
